

# Innova Biosciences

## Material Safety Data Sheet

### Lightning-Link Streptavidin Conjugation Kit

#### 1. Identification of the Substance/Preparation and the Company

Substance or preparation trade name: Lightning-Link Streptavidin Conjugation Kit  
Unique reference numbers(s): #708  
Company identification: Innova Biosciences Ltd.  
Babraham Hall  
Babraham  
Cambridge CB2 4AT

Telephone: +44(0)1223 496170  
Fax: +44(0)1223 496172  
E-mail: [info@innovabiosciences.com](mailto:info@innovabiosciences.com)

Emergency telephone number: +44(0)1223 496170

#### 2. Composition/information on ingredients

Name:	CAS No.	Contents: By weight	Symbol	Risk : (R No.)
Streptavidin	9013-20-1	<5 %	-	R36/37/38
Component 1	not applicable	95 %	-	R36/37/38
Component 2	not applicable	0.1 %	-	R36/37/38

**Composition comments:** A lyophilized white powder

#### 3. Hazards Identification

Physical/chemical hazards: not applicable  
Routes of Entry: Absorbed through skin. Eye contact. Inhalation. Ingestion.  
Potential Acute Health hazards: Slightly hazardous in case of skin contact (irritant), of eye contact (irritant) of inhalation (lung irritant)  
Carcinogenic Effects: CARCINOGENIC EFFECTS: Not available.  
MUTAGENIC EFFECTS: Not available.  
TERATOGENIC EFFECTS: Not available.  
Medical Conditions Aggravated by over exposure: Repeated or prolonged exposure is not known to aggravate existing medical conditions  
Overexposure/signs/symptoms: Not available

#### 4. First aid measures

- Skin contact: Wash with soap and water for at least 15 minutes. Remove contaminated clothing and shoes. If discomfort or irritation develops, seek medical attention.
- Eye contact: Check for and remove contact lenses. Flush eyes thoroughly with running water for at least 15 minutes while lifting eyelids. **Seek medical attention immediately.**
- Ingestion: Check for and remove dentures. Clear mouth. Do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. **Call doctor or poison control immediately.** Provide chemical label and MSDS information if possible.
- Inhalation: Remove from area of exposure. Seek medical attention if patient shows signs of discomfort or respiratory problems. If breathing becomes difficult, oxygen should be administered.

#### 5. Fire fighting measures

Material may be flammable at high temperatures. It is recommended that firefighters should wear protective gear and self-contained breathing apparatus to limit personal exposure, and select firefighting media appropriate to the other materials involved in the fire.

#### 6. Accidental release measures

- Personal precautions: Wear appropriate protective gear; see below under "Exposure control"
- Methods for cleaning: Wipe up spill, place in sealed container.  
Spill site should be washed with plenty of water.
- Disposal precautions: Dispose of all waste in accordance with local authority regulations.

#### 7. Handling and storage

- Handling: This product should be handled only by qualified experienced professionals. Wash thoroughly after handling the material.
- Storage: Store at -20°C.  
All components should be stored in tightly closed containers.

#### 8. Exposure control and personal protection

Ingredient name	CAS No.	STD	LT EXP. (8hrs)	ST EXP. (15min)
Streptavidin	9013-20-1	n/a	n/a	n/a
Component 1	not applicable	n/a	n/a	n/a
Component 2	not applicable	n/a	n/a	n/a

Protective equipment: During routine use, wear suitable protective clothing; laboratory coat, gloves and safety glasses. Use face mask to avoid breathing in dust when cleaning up powder spills.

## 9. Physical and chemical properties

Appearance:	Lyophilized white solid
pH:	n/a
Melting point:	n/a
Flashpoint:	n/a
Explosive properties:	n/a
Vapor pressure:	n/a
Relative density:	n/a
Solubility:	soluble in water

## 10. Stability and reactivity

This material is stable for up to 12 months if stored as directed.	
Conditions to avoid:	Excessive heat and moisture Incompatible with strong oxidizing agents
Materials to avoid:	none known
Hazardous decomposition products:	none known

## 11. Toxicological information

Toxic dose LD-50:	Not known
Health warnings:	Slightly irritant to skin, lungs and eyes
Other health effects:	Not known

## 12. Ecological information

Environmental hazards – no data available for the product itself.

## 13 Disposal Considerations

Dispose of in accordance with local authority guidelines

## 14. Transport information

### Road/Rail:

Road/Rail transport notes: Product not classified as dangerous goods under any transport regulation

### Sea/Air:

Sea/Air transport notes: Product not classified as dangerous goods under any transport regulation

## 15. Regulatory information

<b>Risk phrases</b>	Not classified
<b>Safety phrases</b>	Not classified
<b>EC Directives</b>	Not classified
<b>US regulations</b>	Not found (TSCA, SARA 302/304/311/312, SARA 313, CWA 307, CWA 311, CAA 112)

## 16. Other Information

<b>Revision date:</b>	19 <sup>th</sup> June. 2009
Replaces SDS issued:	n/a (first copy)

*This information is based solely on data provided by suppliers of the materials used and/or recognized technical sources, not on the mixture itself and is believed to be correct as of this date.
